President Williamson requested that the Farmers Market Committee respond to the Health Board concerns as raised by Councilman Cunningham.

The motion was defeated 3-2, with Vice-President Simpson, Councilman Stein and Councilwoman Rehoric casting the majority votes.

Councilman Stein requested that the original motion to approve the farmers market Mass Gathering Permit Application/License Agreement be amended as follows:

- up to four (4) 10 x 10 stalls be designated to the Media Business Authority.

President Williamson mentioned that he does not want to bind either party on the balance of vendors and would like to leave it up to the committee, Media Business Authority and Councilwoman Roe to figure this out so the motion will stand.
