

April 2nd – 6 PM

Meeting Agenda-Committee Meeting #3- Transportation (all forms) / Transit Oriented Development

BOROUGH OF MEDIA COMPREHENSIVE PLAN UPDATE

SC#: 12082.10

Housekeeping Items:

- Any final comments on revised survey? (survey to become active ASAP)
- April 10 Public meeting #1 (Existing Conditions/Analysis / Programming)
 - Have flyers been distributed?
 - Meeting advertised?
 - Story sought in local paper(s)?

Committee Meeting Agenda:

Transportation

- Rail
 - Transit Oriented Development (what is it, do we want it?)
 - Increasing utilization
- Trolley
 - Increase utilization
 - Land use effects / policies along route?
- Bus
 - Increased utilization
 - Do current routes make sense?
 - Land use effects / policies?
- Pedestrian
 - Safe walking routes to schools? (school service areas)
 - Safe crossing of busy streets
 - Creating a pedestrian environment. What does that mean?
 - Accessibility (ADA)
- Bicycle
 - Borough bike routes / plan. Do we want one?
 - Are we willing to compromise with on-street parking ?
 - Bike share program – something that we want?

X:\12082.00 Media Comp Plan\Meetings\130325- CM#3 Agenda.docx

- Connections to adjoining municipalities / parks / others trails and destinations
- Motor Vehicle
 - Where do most accidents occur? (crash data maps)
 - If we enhance bike / ped mobility, will we slow motor vehicle traffic? Is that acceptable?
 - Truck traffic. Is this an issue?
 - Access to regional highways (Rt. 1, 476, I-95) is excellent. A strength.
 - Parking.
 - What is the correct approach?
 - Underserve and "force" more multi-modal use?
 - Encourage more parking garages?
 - Seek out renters and owners who do not own motor vehicles and incentivize their continued non-ownership of motor vehicles.
 - What is the effect of the many private parking lots in Media?
 - Media "zip cars" Do we want / Do we need?
