

YARD WASTE COLLECTION PROGRAM

Effective April 1, 2008, Media Borough will comply with the newly enforced Pennsylvania Department of Environmental Protection (DEP) yard waste requirements for mandated municipalities (recycling) and those receiving DEP performance grants.

The Borough will institute a monthly curbside collection program (January through September) consisting of yard debris, trimmings and leaves. **No grass trimmings will be accepted.** Sticks/branches will be accepted provided they are no wider than four (4) inches in diameter and no longer than four (4) feet. This collection will take place on the first Wednesday of the month.

Curbside collection items must be placed in recycled bags, which will be available at Media Borough Hall between the hours of 8:30 a.m. - 4:30 p.m., Monday through Friday.

Residents may also drop off yard waste (shrubs, tree trimmings and similar vegetative materials, **excluding grass trimmings**) at the county's compost farm on the third Wednesday of each month (January through September). Delaware County's Compost Farm is located on the grounds of the Chester Transfer Station at 2300 Concord & Incinerator Roads, Chester. Hours will be from 7:00 a.m. to 4:00 p.m. Proof of residency will be required.

Please contact the Borough Office at 610-566-5210 for more information
