Date upon which object(s) will be removed from the public right-of-way		

Name of contractor supplying equipment _____

Emergency phone number for contractor supplying equipment _____

Describe how Borough Street will be protected from damage by dumpster/storage "feet"

GENERAL CONDITIONS FOR HIGHWAY OCCUPANCY

- Written permission must be obtained from the code enforcement officer to occupy a Borough street with dumpsters, building materials, or equipment.
- Where such permission is granted, the following criteria must be complied with:
 - 1) Objects authorized by permit to be stored or placed upon Borough streets must be protected with a sufficient number of barricades so that the obstruction is clearly identified to motorists and pedestrians.
 - 2) From 1 hour before sunset until 1 hour after sunrise these barricades will be provided with illuminated warning lights so that the obstruction is clearly identified to motorists and pedestrians
 - a) Illuminated barricades will have sufficient candlepower to readily identify the obstruction from a distance of 100 feet
 - 3) Dumpsters or stored building materials may not block the gutters. Loose materials such as sand or stone must be kept from washing down the gutters and into storm drains.
