What is Porchfest? Porchfest is a neighborhood music festival that brings community outside together to visit & experience a variety of music performances. There are more than 125 other Porchfests across North America. Thanks to Media Recreation Board for organizing this first one for 2024 ☺

What kind of music will we hear? All genres of music, all levels of experience, and all types of musical acts are welcome so long as they are suitable for everyone. The above schedule lists genres for each act.

Is there a cost to attend or to perform? No! However, as musicians are sharing their time and talent for free, we encourage tipping them. Musicians: please put out a tip jar or QR code for Venmo donations.

Do I need to bring anything? We recommend you bring a folding chair (for the properties welcoming onlookers in their yard or drive), water, comfy shoes & good vibes.

Are food & drinks & bathrooms available during this event?

Food: Head to State Street District and support our local cafes, restaurants, & bars.

Drinks: There is a Beer Garden @ 18 E. 2nd, hosted by Media Arts Council. There will also be complimentary Iced Tea beverages at 600 N. Olive.

** Please remember open alcoholic beverages are not allowed on public streets. (With exception of you are part of a pre-approved block party/ mass gathering permit.)*

Bathrooms: Sorry, not this year. We are keeping the first year as simple as possible. If you are from out of town, we suggest schedule dining in, at a local restaurant, if you need to plan a restroom break.

Safety: Make extra caution & patience a priority for the day! Please be mindful of others and encourage gathering safely in driveways and lawns. Drivers, please drive slowly, and be extra on the look-out.

Getting to Porchfest: We strongly recommend walking, public transportation, or rideshare.

Drivers: Avoid parking in spots marked Resident Only. See parking links below.
