

Media Borough Refuse Haulers Policy

[See Council Minutes, 10/18/07: “Councilman Alyanakian mentioned the implementation of a recycling haulers permit program for businesses.”]

The Borough of Media shall require all refuse haulers to apply for a permit/license to provide waste removal services within the Borough.

The permit/license shall include:

- emergency contact information,
- insurance information,
- description of size of containers, both waste and recycling
- a list of businesses the vendor services and disposal sites
- A statement requiring the refuse hauler to provide recycling services to the business
- A statement requiring the refuse hauler to monitor and record the recyclable materials removed from Media Borough businesses
- A statement requiring the submittal of a detailed annual recycling report by January 31 to remain eligible for a hauler’s license
