#### WHAT IS THE TIMELINE?

The ordinance timeline provides ample time for businesses to use up existing stock and find viable alternatives to single-use plastic (SUP) bags and straws. The ordinance went into effect JANUARY 1, 2023.

#### WHAT ABOUT THE PROPOSED BAG FEE?

Businesses have the option to add a 10-cent fee to a customer's receipt for the use of a paper bag. The purpose of the fee is to help support businesses with the added costs of switching to a paper bag and also to encourage consumers to bring their own bag, which is the goal of this ordinance.
