Green Phase Guidelines for Media Borough Residents and Businesses

On June 26, Media Borough entered the green phase of the coronavirus recovery. Media Borough is uniquely positioned in Delaware County because of our dense population and vibrant business district. This makes our borough an attractive place to live and visit but also offers some challenges during the Green Phase of Reopening.

Borough Council, Mayor McMahon and the Media Business Authority strongly urge residents to adhere to CDC and PA Department of Health guidelines that **require mask wearing where social distancing is not possible**. Please continue to wear masks while shopping and/or dining on State Street or other areas within the Media Business District. Masks may be removed only while seated at a table while dining at a restaurant.

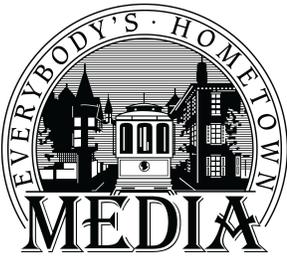

We ask your cooperation and patience with all of the guidelines listed below and most especially with mask wearing so that we might continue a downward trajectory of COVID-19 cases within our borough and within Delaware County. It is vitally important to continue to maintain social distancing and mask wearing during this time to stop the spread so that we may enjoy better days ahead sooner rather than later.

Guidelines From Delaware County

As Delaware County moves into the Green Phase, it's important to remember that guidelines continue to be in place for the health and safety of all residents. This includes the public, business owners, and their employees.

Green Phase Work and Congregate Settings Restrictions:

- Continued telework strongly encouraged
- Businesses with in-person operations must follow updated Business and Building Safety Requirements
- All businesses operating at 50% occupancy in the Yellow Phase may increase to 75% occupancy
- Child care may open complying with guidance
- Congregate care restrictions remain in place
- Prison and hospital restrictions determined by individual facilities
- Schools subject to CDC and Commonwealth guidance
