Information and Referral – Rather than duplicating services provided by other agencies, when food center workers identify needs beyond food relief, clients are referred to other agencies that are set up to directly handle those needs. We work directly with the social service agencies throughout Delaware County, as well as the Department of Human Services and Children and Youth Services.

All pantries/outreach centers are staffed by volunteer workers and are dependent upon donations of food, money, and time to continue their work.

**Family & Community Service of Delaware County (FCSDC)
Emergency Food Home Delivery**

In response to the COVID-19 pandemic, in collaboration with County officials, FCSDC is setting up home delivery of food boxes for low-income Delaware County residents who have been quarantined by their medical provider and have no other means of getting food. Food boxes primarily contain canned goods and dry goods.

We are calling upon medical providers, social workers, and case managers to refer low-income patients/clients who are quarantined at home due to exposure, symptoms, or infection with the COVID-19 virus.

REFERRAL PROCESS

1. Determine patient/client eligibility:

- Is the individual a resident of Delaware County? YES/NO
- Is the individual under quarantine due to COVID-19 exposure, symptoms, or infection? YES/NO
- Is the individual considered low-income? YES/NO (*see chart below for income guidelines*)
- Do you have the permission of the individual to provide the required referral information to FCSDC? YES/NO
(If you answered YES all of the above questions, the individual is eligible)

Please note: If there is a family member, friend, or neighbor who is able to access a food pantry on behalf of the individual, referral to a food pantry rather than home delivery may be appropriate (*see food pantry list on pages 2 and 3*). Home delivery service is only available while food supplies last.

2. If eligible, email the following information to COVIDfood@fcsdc.org

- Client name:
- Home address:
- Phone number:
- Number of people in the household:
- Approximate household income:
- Referred by:
- Referral contact phone number: (*we will only contact you if we are unable to contact the client*)

3. A FCSDC staff person will contact the individual by phone to arrange a delivery day and time?

4. The FCSDC staff person will coordinate delivery with volunteer drivers provided through the County.

*FCSDC staff and drivers will follow no-contact, social distancing precautions.
