<b>AGENDA</b>	August 27, 2020		
<b>Attendees:</b>	Kevin Boyer, Ed Gibson, Jim Jeffrey; Lisa Johnson, Kevin Matson, Bob McMahon, Peter Williamson; Marty Wunsinich		
		<b>ISSUE</b>	<b>ACTIONS</b>
<b>Communications</b>			
	Overall	Substantial progress has been made through our monthly meetings and the hiring of communications resources for boro - continue on improvements	Any issues or concerns?
	DUTS/ State St Events		
	School Shootings	We need to understand what the RTMSD is doing - a subgroup will meet w new superintendent	Members of the PSC need to meet with new superintendent
	3rd St dam EAP	Currently there is no EAP but one needs to be in place before a dam is built; draft sent by Schnabel	
	Mariner Pipeline	Media is near pipeline; would likely be pulled into an emergency situation; some believe explosions could occur - county council doing a study	
<b>Events Planning</b>			
	MGP's - General	1) add wording Police to contact SEPTA if event is going to disrupt service and add insurance question too; 2) make sure events do not conflict (Karen R); when are there too many events	
<b>Fire/EMS</b>			
	Overview of Runs	summaries and updates	Ed to review
	Specific Topic	Squirt committee - cost is approx \$750k	
	Trolley safety	power lines above trolley on State St	
	Specific Topic	EMS coverage decided by borough; Riddle may stop supplying EMS in the future	
	Personnel	Not enough volunteers - 2019 budget draft has small payments to volunteers included	stipend program - can't pay by the hour. Nov - Oct pay one time per year in time for holidays
	CO detectors	education	
	hydrants, air packs, etc	need 28 air packs by April 2021 (\$215k w \$45k from boro)

	Capital	sallie port - need an update	
	MES	many teenagers are hanging around the playground	email from Brooke Forry dated 7.22
	Specific Topic	use of body cameras; recommendations of Pa Police Chief Assoc and federal government	are we ready to move forward?
	DA DelCAM	community-law enforcement camera program; Delco residents and businesses can participate	
	financials (Actual vs Budget)	Overtime; reimbursed and not reimbursed; Jim Seaman of the boro finance staff is working on this	
	Balto Ave cameras	not working well!!; hi def does not seem to work; Warranty issue. Bob Beddy is contact at P2P; radio signal is the problem; Don Galvert is hardware contact.	Matt Egan is Bob Beddy's contact. This needs resolution or the equipment needs to be returned and the boro \$\$ refunded; customer service is poor. Cameras are always recording (at least) but activity cannot be seen; we need more training. Is there a service and maintenance agreement? Times are not synced between cameras! Remove them from Co-Stars Balto & Radnor and Balto & Prov have never worked. Marty to contact Bob Scott - Need Bob to send a letter
<b>Community Outreach</b>			
	RTMSD	Opportunities for teenagers to recreate in the boro; We need to do a survey on what kids (11 to 15 yrs) want to do; we need volunteers to monitor activities	
	Residents/Taxpayers	Provide various training sessions on safety; Consider a boro safety day; example is in 1Q a teenager ran into the street and into a car	
<b>Traffic</b>			
	Traffic Calming Plan	PSC will manage the process of creating a plan to be used to obtain funding to execute the plan	
	Ruth and Daniel Blair via Chris Quinn's office	Balto & Orange and State St & Providence audible ped signal - for blind pedestrians	grant recd. Need an update - summer/fall install 10 signals w 3 done
<b>Parking</b>			

	Parking Subcommittee	Are PEOs ticketing throughout the borough now?	Bob and Marty
	General Parking Review	Parking subcommittee made recommendations; need to fold these recommendations into the traffic calming recommendations	send recommendations to TPD; also need "no stopping or standing" signs in front of fire house and discuss wayfinding plan to help traffic calming
	County Parking Structure	currently an empty lot	county council is considering alternatives
	Peter Williamson	Neighbors at 5th and Broomall parking issues between Orange and Olive	neighbors are requesting parking restrictions
	Jill Beaumont	residential parking permit for 228 N Orange	Jill has been told that she cannot have a parking permit since Orange St has no residential parking; Per the Police Chief, the ordinances need to be updated to include this block in a "parking zone"; J Jeffery to discuss w J Smith
	Monica Simpson	5th St & N Orange St req a residential parking spot in front of her house	
	<b>Sidewalks/Streets/Bike Paths</b>		
	repairs	Bob McMahon says some sidewalks are a problem	tripping hazard - bricks on State St; address petition that came from Garrett - Karen R to give me his contact info
	UP sidewalk	from PIT to Lincoln on Manchester (a state road)	sidewalk is missing; K Matson to check to see if they are patching and if there is a grant per Susan
	Vision Zero/Road to Zero	working through EAC; part of traffic calming plan	
	<b>Future</b>		
	Fire Equipment	a new hook and ladder will be needed ~2033	
	Trolley	new tracks to be installed ~2028; different fuel source? Consider hazards eg boom hitting wires
