

The Third Street Dam and Roadway Citizens Advisory Committee (CAC) has extended the period for distributing and collecting opinion surveys by one day. Any resident, property owner, or business owner who believes they did not receive a survey in the mail may pick one up at Borough Hall today (Tuesday, 3-20-12). Completed surveys must be returned to Borough Hall by the end of today's business day (3-20-12). Do NOT place your completed survey in the mail; only surveys returned to Borough Hall today will be included in the analysis of survey results.
