Re: Third Street Dam/Spillway Bridge Project
MPMS# 47147

This letter is in response to your recent e-mails inquires concerning the Third Street spillway bridge improvement project. Please note that this project is being advanced by Media Borough via the Commonwealth's Local Bridge Program. This project is a state-aid match project with the state funding taken from PennDOT's Appropriation 183 funds.

Per your inquiry, please be advised that the use of the Appropriation 183 funds does not require the reconstruction of a highway bridge over the spillway of the dam.

If you have any questions please contact either Tim Stevenson, P.E., PennDOT Portfolio Manager at 610-205-6820 or Sidney New, P.E., Local Bridge Program Manager at 610-650-8101.

Sincerely,

A handwritten signature in black ink that reads "Les Toaso".
